Mr. L. L. Hunter
Assistant Commissioner of Design & Construction
General Services Administration
Public Buildings Service
Washington 25, D. C.

Dear Mr. Hunter:

In accordance with our recent telephone conversation, the inscription on the cornerstone of the new CIA headquarters building will follow the pattern of the cornerstone for the new State Department Building.

The attached sheet indicates the names and titles which we would desire to have on the cornerstone for our building. A copy is being forwarded to Harrison & Abramovitz for appropriate action in connection with the plans and specifications for the superstructure.

Sincerely,

/s/
